INTERESTED IN PARTNERING WITH THE 76ERS?

THE PHILADELPHIA 76ERS ARE PROUD TO OFFER MATH HOOPS AT 50 ADDITIONAL IN-SCHOOL, AND OUT-OF-SCHOOL SITES DURING THE 2018-2019 SCHOOL YEAR.

Sixers Math Hoops is an exciting, fast-paced, basketball-themed board game and common core standard math curriculum that teaches students sportsmanship, teamwork, collaboration, and problem-solving through the use of NBA and WNBA player cards. Students “draft” their favorite 76ers, NBA, or WNBA players while improving their fundamental math skills throughout the academic school year.

PRINCIPAL/SCHOOL COMMITMENT
• Nominate a teacher to facilitate the program with fidelity by Thursday, August 30, 2018.
• Recommend Mathematics or STEM teachers who have 3+ years of experience.
• Ensure that participating teachers have a strong knowledge of the School District of Philadelphia Curriculum and PA Standards (if applicable).
• Complete enrollment paperwork, including participant release waivers.
• Report on frequency of participation at four in-season checkpoints via a brief online form.
• Administer the pre- and post-test for participating students (15 minutes each).

MATH HOOPS EDUCATOR EXPECTATIONS & COMMITMENT
• Mathematics teachers or STEM teachers (grades 4-8), or out-of-school educators.
• Attend a 2.5 hour unpaid training to learn about the Math Hoops game and program experience (Act 48 credits will be granted).
• Fully implement the 12-lesson Math Hoops season, with each session lasting approximately 45-60 minutes in length.
• Report on frequency of participation at least three out of five checkpoints via a brief online form.
• Administer the pre- and post-test for participating students (15 minutes each).
• Attend the Sixers Math Hoops tournament in the spring with top participating students from your site.

For more info about Math Hoops, visit SixersYouthFoundation.org and LearnFresh.org.

(Please note that renewing sites from 2017-2018 school year are required to attend this annual training.)
The 76ers’ involvement with the Math Hoops program is an effort to enhance students’ math literacy and competency, problem solving abilities and interpersonal communication skills in the context of teamwork and sportsmanship.

**SCHOOL AND STUDENT INCENTIVES (based on availability)**

- Sixers swag during check-in points.
- Tickets to a Sixers home-game.
- An improvement in math engagement.
- Sixers Assembly at your school.
- Participate in the Sixers in-arena Math Hoops tournament AND MUCH MORE!

**REGISTRATION INSTRUCTIONS**

Principals of interested schools or out of school time educators should complete https://sixers.formstack.com/forms/math_hoops by the end of day on Wednesday, August 29, 2018. Please provide:

- The name, grade level, and email address of a teacher whom you would like to nominate to lead the Math Hoops program in your school or out of school time site.
- No more than 1-2 sentences, explaining why you want Math Hoops program in your school or out of school time site.

Participating schools will be selected by the end of day on Friday, August 31. Principals and nominated teachers will be contacted at that time to confirm registration.
